Re: Returned check for notice of appeal
A:06-CA-838 Lincoln vs. Abbott, et al

Dear Mr. Lincoln:

On September 27, 2007, you tendered to this office check number 1237 in the amount of \$255.00 for a notice of appeal in the above referenced case. It was returned by your bank marked "Not Sufficient Funds". According to our records, you have not sent a replacement check nor the NSF fee of \$45.00. Since the notice of appeal was dismissed for not timely paying the appeal fee the check is being returned to you. In the future, all payments made to this court will need to be paid by cash, cashier's check or a money order.

Sincerely,

A handwritten signature in cursive script that reads "David O'Toole".
